Hello,

Hon. Judge Rya Zobel,  
 Hi my name is Shawnte Hall, And i am  
 a single parent of a 5 year old, her name  
 is Shaki Hall, and her father is Michael perdigon  
 who stands for you. I would just like  
 to say how hard it is for me to raise  
 my child by myself, my baby needs her  
 father. My daughter was 3 when my baby father  
 was locked up. And it seems like she  
 knows hes gone, because when he was home  
 he was everything to me, he was all was around  
 our baby she was stuck to him like glue, and  
 every birthday came around she didnt want  
 for nothing. New cloth, new servers, but most  
 of all his love, his love for my daughter will  
 never end, i see myself crying sometime trying  
 to figure out how are we gonna eat, when  
 the next time were going to shop. I have  
 recently got a part time job at Dunkin Donuts  
 its not the best but it helps a little.  
 Sometime I have to leave work cuz  
 my daughter get out of school 3:15pm and  
 i work from 2pm-7pm and on the nights  
 no one feel like watching her i have to leave  
 and get her it hard. She needs her father for  
 some of the things she do, I have no uncles,  
 no brother, or anything of male role model  
 for her, and im not trying to find one i just  
 wish she can have her father. Me and Mike  
 is writing every week to one another, he tells  
 me how much she want to change and be  
 a family again how he wish he can hold  
 the past 2 ~~tenets~~ females in his arm again  
 and he crys and that hurt me the most

cuz i knew thire is no one really on his  
 side but me and his mom is who  
 longer fear so that makes things even  
 worst. I dont want my baby to grow  
 up and for get the love of her father  
 , i have been with mike for 6 year and  
 he's always love me and i have always  
 love him. I dont know what happen i  
 think i was a day of him not tolding  
 me, we miss one day of not being together  
 and it turns into years. I love Mike  
 with all my heart and soul and his daughter  
 does to. See most of my Carl friends  
 and they kids all have thire father so  
 when its time for us to do something with  
 school or field trips me and her go and  
 her friends go with both mom's dad so  
 she say to me "mommy how come my friends  
 father goes with they mommy every where  
 and my daddy cant always go with us?  
 She goes thats no fair i wish i had my  
 daddy and that make me cry because  
 she has a father out thire she just  
 dont know where, and why he's gone.  
 I try to make up things to the best  
 of my ability but some things i just cant  
 lie) we need some ~~kind~~ kind of help, even  
 if we was able to see him it might be  
 hard but she hasent heard his voice or  
 saw him for a while i really dont want  
 her to for get cuz she's growing and her mind  
 is getting older, what more for me to do.  
 I know he's not the person to go away  
 from us for a lot of years, I pray to god

that you give him a chance to be with his family again. to hold his daughter and see what he is miss he has miss so much and there is no turning back on what's already gone. I just want for him to see his little girl turn from daddy's little girl in to a gang woman. but i don't know if that's gonna happen it's been so long i don't know what to do with myself i need someone that's not gonna tell no lieing list watching her, some one that want to help watch & help her and that's her father so God we pray to you and everyone els that watching over him to let him come home and be with his family and be one again.
